MEMORANDUM

TO: City Council Members

FROM: Pamela Holocher, Senior Planner

SUBJECT: Southwest and Southwest Extended Annexations

DATE: November 12, 1996 X-96-11-31

Attached are the two alternate ordinances and resolutions the City is introducing for the Southwest and Southwest Extended Annexations. The Southwest Annexation Ordinance, (Option 1), would take effect **February 28, 1997**, while the Southwest Extended Annexation Ordinance, (Option 2), would take effect **January 1, 2006.** These ordinances are scheduled for public hearing and discussion on November 26, 1996. Final action on one, and only one, of the ordinances should take place on November 26. If the County Commissioners turn down the West Hamilton incorporation proposal, we would ask City Council to adopt Option 2, the Southwest Extended Ordinance. But, if the West Hamilton proposal is still pending when City Council is ready to take final action, only Option 1 could be adopted, since Option 2 includes a portion of the proposed West Hamilton. If City Council desires to delay action, **December** 3 would be the latest possible date for approval to ensure that adoption and publication occurs before the end of the year, and that the remonstrance period ends prior to the March 1, 1997 assessment date.

Since Mayor Helmke took office in 1988, the City has successfully annexed large urbanized portions northeast and north of the City. Annexation southwest of the City is the logical next step in our comprehensive annexation program.

The City of Fort Wayne is asking the City Council to adopt of one of the two ordinances by December 3, 1996 for two reasons. First, an attempt to incorporate a town, known as West Hamilton, is pending before the Allen County Commissioners. If this incorporation takes effect Fort Wayne could not annex within the town's corporate limits and the town could then petition to become a city and annex other areas southwest, directly adjacent to Fort Wayne City limits. Second, some members of the State Legislature have indicated that they are going to push for new laws limiting cities' annexation powers. Therefore, it is imperative that final action be concluded on one of the two ordinances before the next session of the Indiana General Assembly starts meeting full-time in January.

Option 1 (Southwest Annexation) would annex a small portion of Wayne Township and a large portion of urbanized Aboite Township, **excluding** the proposed town of West Hamilton. The area covers approximately 7,019 acres, or 10.97 square miles and would bring in an estimated 20,121 persons on February 28, 1997. The area has an assessed value of $227,501,500 and is anticipated to bring in $7,552,432 of net revenue over a five year period.

Option 2 (Southwest Extended Annexation) includes all of the territory in Option 1 **plus** a portion of the proposed town of West Hamilton. Upon the effective date, January 1, 2006, approximately 22,587 persons would be brought into the City. The proposed Southwest Extended Annexation area covers approximately 8,228 acres, or 12.86 square miles and has an assessed value of $262,100,730. Over a five year period it is anticipated that the annexation would bring in $12,443,070 of net revenue.

Property owners in both proposed annexation areas have been sent packets from the City outlining the City's annexation plans and announcing a series of public information sessions, which have been scheduled for November 20 and 21. City staff members will be on hand to answer any questions and note concerns of property owners within the annexation areas. These meetings are scheduled as shown below:

November 20, from 7 a.m. to 10 a.m. at Aboite Elementary
November 20, from 4:30 p.m. to 8:00 p.m. at Aboite Elementary
November 21, from 7 a.m. to 10 a.m. at Whispering Meadows
November 21, from 4:30 p.m. to 8:00 p.m. at Whispering Meadows

We invite you to attend these meetings. From our past experiences with the Northeast and North Annexation meetings, we have found these sessions to be an effective vehicle for getting information out to area residents.

Please feel free to contact Pam Holocher at 427-2139 should you have any questions or concerns about the annexation.
